FOREWORD

Since the year of 1950 has rolled around, we once more need a theme for the MILLERETTE. We decided this year to have a Pirates ...e because we are getting ready to launch into the sea of ...fe. We're hoping that it will be smooth sailing for all of us whether it is in the form of happiness, health or money.

DEDICATION

We, the MILLERETTE staff, dedicate this annual to a graduate of Millersburg High School, Jake Hartsough, who served our country in W. W. War II.

He enlisted in 1942 in the 5th Marine Corp and was one of the first troops to hit Okinawa. He was wounded while in service. He received a discharge in 1946, and returned to help his father on their farm.

He was injured and later died from an accident while running a farm motor.

JUNIOR REVIEW

We started our Junior year with twenty-one in the class. We lost six and gained one.

On September 13, we elected our class officers as follows:

President----------Robert Musselman

Vice president----------Glen Showalter

Sec. & Treas.----------Peg Schrock

Reporter----------Keith Shaffer

We also elected Robert Musselman and John Lantzer for student council members.

We sold magazines from October 6 to October 13 to raise money for our class. We chose two teams and a captain for each. The captains were Lyle Burtsfield and Esther Brenneman. Each team tried to out sell the other. Esther Brenneman's side won.

Our first class party this year was at Glen Showalter's home on October 18. On December 13, the losing team from the magazine sales gave a party for the winning team. Our class also sponsored an all school roller skating party March 1.

In February we started making plans for the junior-senior reception. Our theme was "Career Night". It was held on May 12.

We chose "Tons of Trouble" for our class play which was given April 12.

On March 3, the Juniors won the class tourney by defeating the Sophomores.

SOPHOMORE REVIEW

Our first sophomore class meeting was held Tuesday, September 15. The following persons were officers for the class:

President----------Carol Petry

Vice president----------Rose Ann Troyer

Sec. & Treas.----------Marilyn Litwiller

Reporter----------Lola Haviland

Our first party was a welcome party for the Freshmen. It was held October 7, at Beach Boomershines.

Wednesday November 2, the class decided to sell Christmas cards to raise more money. The class was divided into two teams with the losers giving the winners a party.

Our part in the Christmas program were two songs by the sextette and a reading.

We sponsored a courtesy week from March 6 to the 10. The results were very good.

We are all looking forward to having as much fun next year as we had this year. Our class had a very successful year and hope next year will be even more successful.

FRESHMEN REVIEW

On September 12, the class of "53" met with Mr. Davis to elect officers. They are as follows:

President---------- Ancil Schrock

Vice Pres.----------Carol Haaner

Sec.-Treas.----------Lauretta Wilson

Reporter----------Onole Burtsfield

Sponsor----------Miss Fredenburg

We then had 36 members. We lost 12, leaving us a total of 24 members.

Our class colors are gray and maroon. Flower, the yellow rose. Motto, "Make all you can, save all you can, give all you can."

On September 13, we held our first class meeting. We elected Joy Carpenter and Howard Leedy as our Student Council representatives.

The Sophomores gave us a party on September 27.

On October 7, we gave "The Bear Story", a poem by James Whitcomb Riley, for the Riley Program.

Our first class party was held October 21, at Margaret Groff's.

On December 23, we participated in the Christmas program.

On January 12, we received our class sweaters.

Our second class party was held January 25.

On February 2, at our last home game (Bristol) we sponsored a "Good Sportmanship" night.

Our class yell leaders for the tourney were Lauretta Wilson, Onole Burtsfield, Janice Rohrer, and Joy Carpenter.

Then came the election of King and Queen of our class, Howard Leedy and Onole Burtsfield were elected.

Our last class party was held April 26.

GRADE REVIEW

1

The first grade were off to a good start with 32 pupils. We organized a Helpers Club and a Library Club. A few books were added to our library. We visited the Wawasee fish hatchery and at Christmas time we had a program. We hung our stockings up by our fireplace.

Four fish were purchased during the year and named Jumbo, Sambo, Peggedy Ann and Jill. We learned to write sentences, money values, to count to 200 and our ABC's. We completed 3 readers, a set of supplementary readers and quite a few library books.

2

This year the second grade started school with twenty-one boys and eight girls, one girl joined us during the year. Besides the regular work of reading two basic readers and a number of library books we took My Weekly Readers, a newspaper for the second grade. One of the most interesting projects with the newspaper was learning all the different ways "news comes to our house". Arithmetic found us learning harder addition and subtraction problems, telling time making change and simple measurement. One of our largest projects was our health project, "Eat a good Breakfast". Several parents visited us during the year.

3&4

The school year opened with forty-one pupils. Katherine Miller moved to Middlebury and Perry Miller moved to Perry Center. A new student, Arthur Reeves, from Saline, Michigan, joined us. We made a study of birds in science and kept a record chart form. We also studied about weather. A thermometer assisted us in this study. After studying Switzerland in the fourth grade, David Horst's father gave us first hand information about the country and showed us pictures. During the year we have purchased a small set of readers, library books, a wall picture, a ring toss game, play money and U.S. puzzle maps. The third grade gave a Halloween party for the fourth grade. For Thanksgiving the fourth grade presented a play to the lower six grades.

5&6

The fifth grade learned to add and subtract fractions. The sixth grade learned to multiply and divide fractions in arithmetic. In geography the fifth grade have been studying about the Americas. The sixth grade studied about Europe, Asia and Africa. We also received 13 new books.

7&8

The seventh grade began the year with twenty members. We had one new member, Sharon Berkey. We made notebooks in literature. Some of us took art every Tuesday. We had Bible class on Tuesday. We took history the first semester and geography the last. At Christmas time we had a short program and exchanged presents.

We started the year with twenty-four members and lost two. One quit and the other moved to Middlebury. For Valentines Day we had a box and exchanged Valentines. Most of the girls participated in the operetta. Quite a few were in art class where we did woodburning and leather work.

ACTIVITIES REVIEW

BOYS' GLEE CLUB

The boys' glee club took part in the operetta. Also they sang at Baccalaureate and Commencememt. They chose a quartet that sang at public programs.

GIRLS' GLEE CLUB

The girls' glee club has profited from a very busy year by paying for the remainder of the robes. The first project of the year was two songs at the James Whitcomb Riley program. The operetta "Rings in the Sawdust" was presented January 11. At the closing of the school year the glee club sang for Baccalaureate and Commencement.

USHERS CLUB

The ushers club has ushered at all the basketball games, plays and the operetta. There are 25 in the club. This is the second year for the ushers club.

CANVAS CREW

There are two different groups of boys in the canvas crew. One group puts it down and the other takes it up. Each group has a captain to see that it is kept in good shape. Harold Shewalter is captain of the crew that outs the canvas down and Don Burtsfield of the group that take it up.

S.S.S.

We had our business meetings the first Friday of each month and our program every third Friday. The girls had two bake sales to raise money. We had Sunshine sisters, made scrapbooks out of Christmas cards; these were sent to orphans home and children in hospitals. On April 21 we held our mother and daughter banquet at which time the ideal sunshine girl received a sweater and a necklace.

S.C.

The first student council meeting of the year was held on Oct. 3, 1949. The representatives of each class provided a program for each month of the school year. We had a total of twelve meetings.

Some of the accomplishments of the council this year have been a new method of electing yell leaders, reserved seats for the yelling section at basketball games, a check room, keeping the engravings on trophies to date, and putting numbers of the rooms above each door. We sold Christmas trees and raffle tickets on cakes to raise money to use for the assembly programs. The student council did very fine and worthwhile jobs for the year f 49 and 50. We also joined the National Student Council.

F.F.A.

The F.F.A. and Lions Club sponsored a crop show. They also popped popcorn for the basketball games. We had a paper drive in November, and besides the proceeds we also won the district contest and received $10 extra. We sent two delegates to the state convention.

OPERETTA

The glee clubs of MHS presented the operetta, "Rings in the Sawdust" on January 11, 1950, in the high school gymnasium.

The following were the cast of characters:

Toby Dunn----------Carlysle Chiddister
Sally Squeezem----------Gail Kurtz
Alonzo Squeezem----------Don Sheline
Marybelle Jaybird----------Phyllis Cripe
Willie Jaybird----------Jan Musselman
Eliza Slimmer----------Marilyn Litwiller
Inky Snow----------Glen Showalter
Dinky Moore----------Bob Musselman

The action of the play took place in a small town, somewhere on circus day. The first act took place before the afternoon performance and the last act before the evening performance of the same day.

Alonzo Squeezem, a wealthy banker, held the mortgage on a circus which Toby Dunn, the owner, was unable to pay because of a disastrous season. Toby Dunn, an estimable young man, had previously become engaged to Sally Squeezem, the banker's only child. This so enraged the banker that he threatened to foreclose the mortgage unless Sallypromised to give up all thought of Toby Dunn. This she refused to do.

Marybelle Jaybird, a fascinating widow, had set her cap for the banker, much to her old maid sister's disgust.. Inky Snow and Dinky Moore, helpers about the circus, plan with Sally and Toby to adjust the banker and send him to the Widow Jaybird's house before he is able to foreclose the mortgage. The widow was overjoyed at the prospect of having the banker as a guest and readily entered into the plan. In the dark a mistake is made and Inky Snow was sent instead of the banker.

When the banker went to his home for the mortgage he found that it had been stolen. He suspected Sally, but when the widow suggested Inky, he had Inky arrested and sent to jail.

At this point the mortgage is discovered in Willie Jaybird's (Marybelle Jaybird's spoiled son) pocket; and through an unexpected turn of events, Inky was freed from all, Widow Jaybird captured her quarry and all ended happily.

SENIOR PLAY

The senior play, "The Mummy Bride", was given October 24, 1949 in the high school gymnasium with approximately 350 people attending.

The story was about a tomb in Egypt with an inscription which said the mummy was an Egyptian princess and that she would come to life in three thousand, eight hundred and fifty seven years, three months, and two days, at dawn. Professor Plopp figured this up and discovered that it is the next day at dawn. The hero then decided that he would marry her and jilt the girl that he was already engaged to. His friends are worried and decide to put her in the mummy case. The Egyptians learn about the inscription and plan to put a French girl in so the Egyptian people will revolt against the English rule. The French get their girl in first and when Willard's friends start to put Miss Farrar in the mummy case they think she is the real princess. However, they tie her up and place Miss Farrar in the case.

The next morning Willard opened the case and at last viewed the lovely face of his princess. After pledging his undying devotion and informing her of his father's wealth, she at last came to life and just before the ceremony is completed, he learns that the princess and his exgirlfriend are one and the same person. At this the princess recalls all the things he had said about this old girlfriend and bursts into tears.

Willard finally convinces her that he still loves her and everybody is satisfied.

Following are the characters:

Carleton Willard----------Don Sheline
Professor Aloysius Plopp----------Herbert Moser
Wilhelmina Farrar----------Gail Kurtz
The Rt. Rev. Acton Sayforth---------David Bartholomew
Mlle. Heloise----------June Hite
Miss Muggs----------Phyllis Cripe
Willis Brooks----------Don Burtsfield
Halim Pasha----------Ted Smith
Colonel Bizet ----------Robert Moser

JUNIOR PLAY

The junior class of Millersburg High School presented their class play on April 12, 1950 at 7:45 PM.

The play was about a young man who, in order to please his uncle lied about owning a prosperous farm. Then to the young man's horror, the uncle arrived declaring that he wished to spend the summer on his nephew's farm! After that the young man's friend, who had lied to his wealthy aunt, told her that he had been married for two or three years and then she popped in, expecting to meet the wife! There was hope for both, for the friend owned a farm and was willing to loan that if his friend would be willing to loan him his wife. Each group f out the truth and all ended well.

Following is the cast of characters:

Veronica Hale----------Burdene Sheline
John White----------Bob Musselman
Albert Hale----------Glen Showalter
Hope Marks----------Lois Swihart
Manson Marks----------Ronald Miller
Mattie Brand----------Esther Brenneman
Jeremiah Hale----------Keith Shaffer
Jyeslyn Jessup----------Peg Schrock

RECEPTION

May 12, 1950 marked the date the Millersburg High School Gym took a festive air when the Juniors entertained the Seniors at the annual banquet. Handsome gents and pretty ladies seated themselves at tables under a canopy of red, white and blue streamers. Posters told the guests the theme of Career Night. The tables carried this idea in clever centerpieces illustrating various careers such as the bread train, the vegetable man and the farm yard. The little red wagon, a book, schoolhouses and navy hat were a few of the dainty nut cups Sophomore waitresses costumed as the doctor and nurse, farmer and farmerette, cook and waitress and a navy and W.A.C. served the guests.

During the meal dinner music was enjoyed from the orchestra.

The toastmaster, Glen Showalter, capably introduced Bob Musselman, the president, for the welcome with Dave Bartholomew, the Senior president, giving the response. There was music from the boys' quartette followed by several skits. Mr. Davis spoke on the theme with Miss Hooley also using Careers in the few remarks made. After more music farewells were given and an enjoyable evening was over.

UNIFIED CHRISTMAS PROGRAM

The annual Christmas pageant put on by the Clinton and Benton churches was presented on Sunday evening, December 18, 1949 with approximately 1000 persons attending.

This pageant was the enactment of the old Christmas story told by actions and songs.

At the beginning of the pageant Joseph and Mary come to Bethlehem to seek a room. After being turned away twice, finally one innkeeper told them they could stay in the stable. Since they were tired and weary, they accepted his advice.

In the next scene the angel appeared to the shepherds who were sleeping. The angel and angel chorus aroused the sleeping shepherds and told them to go and seek the Christ child. At first the shepherds were irritated at being awakened and then become confused and frightened. After the angels and chorus left, they decided to follow the angel's directions.

As the shepherds went, they called the villagers and told them to bring gifts for Jesus. The next scene was just outside the stable. The villagers and shepherds beg Mary and Joseph to permit them to see the babe.

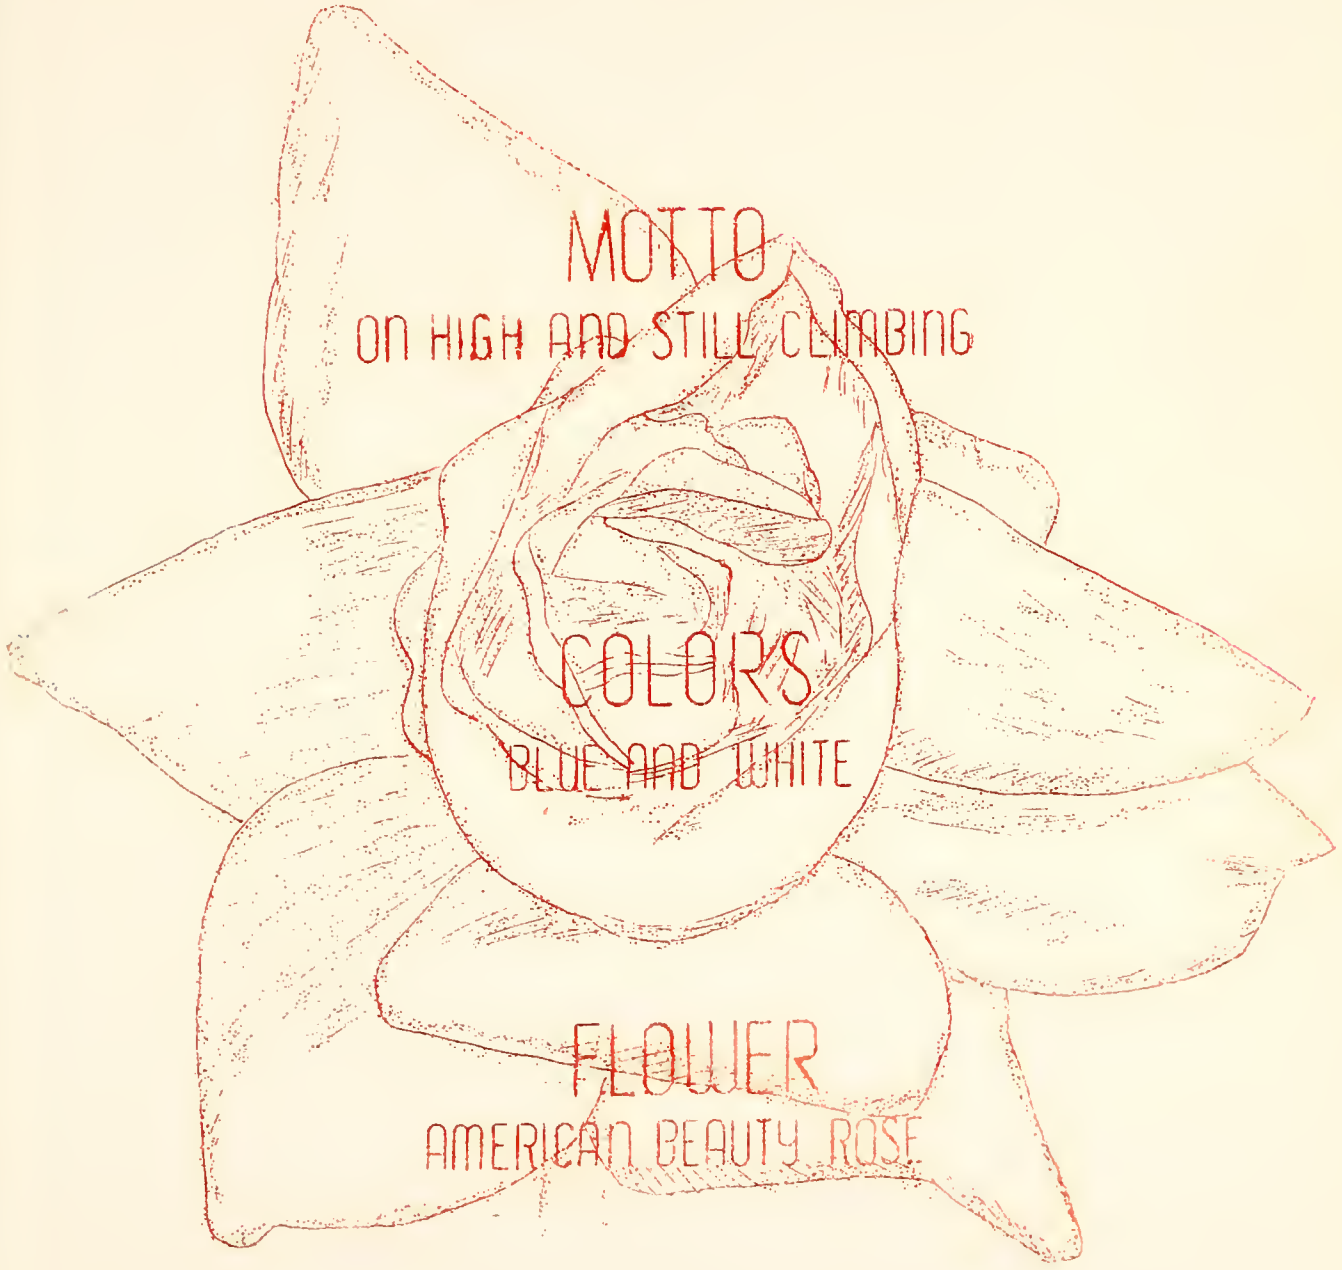
At this time the three kings from the East arrived with their retinue. They entered the stable and presented their gifts.

As the curtain parted , the stage revealed the manger scene, all the villagers, shepherds and kings on their knees worshipping the Christ child.

The characters for the pageant were as follows:

Joseph----------Ralph Pletcher
Mary----------Mrs. Ralph Pletcher
Innkeepers----------Glen Showalter
Carlysle Chiddister
Bob Musselman
Angel----------Carol Owen
Angel chorus----------Maxine Kauffman
Rachel Hershberger
Mrs. Victor Gardner
Mrs. Glen Honderick
Mrs. Clifford Hostetler
Mrs. Elwood Kauffman
Shepherds----------Raymond Baker
Gerald Showalter
Glen Honderick
Paul Whirledge
Wise men----------Dana Kauffman
Warren Charlton
Len Yoder
Narrator----------Mrs. James Chrisman
Clarinet player----------Carol Owen
Pianist----------Miriam Kauffman
Soloist ----------Lowell Byler

CLASS NIGHT



MOTTO
ON HIGH AND STILL CLIMBING
COLORS
BLUE AND WHITE
FLOWER
AMERICAN BEAUTY ROSE

VALEDICTORY

Classmates, teachers, ladies and gentlemen.

When we the class of "50" entered Millersburg High School 4 years ago we chose as our motto "On High and Still Climbing". Tonight this motto sums in a few words how the members of this class feel. We have reached a high point in our lives, graduation, and as we leave M.H.S. we will strive to climb higher along the path of life.

During our four busy years at M.H.S. we have worked together as a team striving for a common goal. This was not always easy but neither will be the problems that lie ahead of us as we leave here tonight as individuals with many different aims and ideas.

Many of these obstacles will be overcome when we use the knowledge and skill that we have acquired here. For these very important things we give many thanks to our teachers and parents who have so faithfully instructed and guided us and helped us materially so that we were able to obtain this education.

I would also like to thank our friends and public for your kindest interest in our school activities. Through your presence at our various appearances before you, you have helped us materially but greater than this is the school spirit that the student body has gained through competition with other schools.

And as we leave here tonight let us keep in mind our motto "On High and Still Climbing" and always strive to make ourselves and our community better by the training we have received here.

Herbert Moser

SENIOR PERSONALITIES

In the great year of 1946, this hail and hearty group was banded together. There were a few more of us to start out, but we have lost a few of our pirate crew during our long seige in battles and visits to other far away places. However, I think that the strongest of our personalities still remain. Our mighty crew of twelve has had harrowing, dangerous, and exciting emperiences along the way of our great voyage. We have obtained many jewels and riches which we will use in our future life. Most all of these jewels and riches were taken from one group, which was called the M. H. S. Faculty.

Now I would like to explain the personality of each member of our courageous and cunning crew.

First, there had to be some one to get a pirate crew. His name was "Eagle Eye" Theron Sheley. Since he started the crew he was always considered the Captain. He makes a very good Captain because he is very determined. His word carries much strength. When he speaks, his voice can be heard on all decks of the ship.

Captain "Eagle Eye" Sheley's first stop was at the Isle of Capri where he kidnapped me, an innocent little peasant girl. I remained on his ship as the pirate queen. Thus I was called "Quecnie", Gail Kurtz.

His next stop was at Bolona Island, where he took on "The Wizard" Herbert Moser. "The Wizard" is very quiet, except in arguments where his high intelligence always wins. He has proved to be the main brains behind the Captain.

Captain "Eagle Eye's" next stop was at Skwigie, where "Cutthroat" Harold Showalter was taken on as a crew member. He is very stalwart,

SENIOR PERSONALITIES
(CONT'D)

and mighty in strength. He has a rough manner about him which all the ladies seem to admire.

The next stop was made at Goon's Beach where a new member was added to the crew. He was "Turtle" Robert Moser. He is slow, more reserved, and easy going. He sneaks from behind when the going gets rough.

Our next stop was at Haller Inn B. C., where "Cookie", Phyllis Crise was kidnapped and taken on board as cook for the crew. Her word carries a lot of authority in carrying our work. She is tall, majestic, and walks about the ship very proudly.

"Eagle Eye" Sholey's next halt was at Barred Rock Island, where "Foghorn", Don Sholine was added to the crew. "Foghorn" is very easy to get along with, and he is quite a showmen. At every port the ladies all take a fancy to him with his charmingways.

At the next stop on Gozo Island we picked up "Weepy", Ted Smith. "Weepy" is rather quiet voiced. He never has much to say in business discussions. He carries out the orders given him.

Our journey continued on to Abaco Island where "Pegleg" Ray Powell was taken on as a new crew member. "Pegleg" is easy to get along with, he is never bothered by the other crew members, although he gets quite a bit of ribbing which he takes well.

The crew was getting tired of washing their own clothes so our next stop was at the Island of Fogo where the crew kidnapped a very innocent girl with a lot of fighting spirit. They called her "Spitfire" June Hite. The crew forced her to do her work. Afterwards she would try to be contrary and mischievous.

SENIOR PERSONALITIES
(CONT'D)

Captain "Eagle Eye", directed his next stop at Zombi Island where "Dickens", Don Burtsfield was taken on as a new crew member. He proved to be quite easy to get along with, he is Always willing to help out. He is always nice and kind to the ladies of the crew. He has one outstanding characteristic and that is mischieviousness. He is always pulling a joke on someone, but he is well liked.

Our last stop was at Stromboli, where we picked up our last crew member the clown of the crew. He is "Stooge" Dave Bartholomew. "Stooge" has a very pleasing and carefree manner. He gets picked on quite often by the other crew members but he takes it in a joking manner. He entertains the crew with his "Lovely Bunch of Cocoanuts".

Having traveled through these past four years of piracy as a noble and loyal crew, we are brought together tonight for one big celebration before we disband and each go our own way. Thus, Captain "Eagle Eye" and his mighty crew has reached its journey's end.

POEM

Four years ago, we pirates,
As pirates in days of old.
Sailed forth on a new adventure
To find vast treasures untold.

We traveled over the seas,
On days both wild and fair.
Many the storms and tempests
Together we come to share.

But as the years rolled onward,
Our crew of Thirty-two,
Lost twenty noble comrades
Out in the vast, wild blue.

Our chests we have filled with treasure,
With learning, "the bouillion of scroll",
Stored up for use down the years
As life's experiences unroll.

Now let us hoist our anchors,
Prepare our ships to get sail.
For from here each must finish his journey
Alone, in the quest for his grail.

No fears on the far horizon
For pirates ruddy and bold,
The vague and uncertain future
Is only a challenge untold.

CLASS HISTORY

Just as the Pirates in times past we the Seniors of "50" are about to go out into the world in search of new and bigger things to accomplish. But now let's look back at the past four years in high school.

When we the young and eager Freshmen of "50" first entered the doors of this great institution of learning many things seemed very strange to us at first but we learned fast. Soon after entering, the class chose the following officers to lead us through the coming year-

Pres.--------Don Sheline
V. Pres.---Betty Miller
Sec. Treas.---June Hite
Rep.--David Bartholomew

We also chose blue and white as our class colors, the American Beauty Rose as our class flower and "On High and Still Climbing" as our motto.

Next on the list of activities was the initiation party the Sophomores prepared for us. It was hard to say who had the most lipstick smeared on themselves, the Sophs. or us poor little Freshies. In the sports events the boys of our class defeated the Seniors for the school softball championship. But in basketball we were defeated by the Juniors in a triple overtime.

Along with a few educational trips to Chicago and numerous field trips our Freshmen year did a very good job of preparing us for things to come.

Our Sophomore year found 19 members returning. Officers elected were-

Pres.--------Betty Miller
V. Pres.-David Bartholomew
Sec. Treas.-Naomi Kauffman
Rep.---------Lolita Powell

On Oct. 21, we had the pleasure of initiating the Freshmen. We also had a party with the Seniors at Musselman's.

During the year we sold greeting cards to raise some money. The boys again won the softball tourney.

In Sept. of "48" as we began the last two years of our high school life we found our class had dwindled to 16 members. Two more of which dropped out at Christmas. Class officers elected were-

Pres.-David Bartholomew
V. Pres.-Herbert Moser
Sec. Treas.-Don Sheline

CLASS HISTORY (CONT'D)

Rep.--------Robert Moser

In Oct. we defeated the Seniors for our third softball championship. But we were defeated later in an overtime by the Seniors in the basketball tourney.

In Nov. we presented our class play "Let Me Out of Here". We also sold magazine subscriptions on which we made $100.86 profit. The last few months of school we were rolling crepe paper and making plans for the Junior and Senior reception which was held on April 29. We hope everyone enjoyed themselves.

As Seniors the class of "50" returned to M.H.S. with only 12 members out of the original 32. Leaving us were Kenneth Kauffman and Miriam Miller. Class officers for this year are-

Pres.-David Bartholomew
V. Pres.---Don Sheline
Sec. Treas.Don Burtsfield
Rep.----Robert Moser

During the year our main job was selling concessions at ball games and putting on our class play "The Mummy Bride". In Nov. we had a party at the home of Gail Kurtz. In Jan. the class took a long constitution test and later on we also visited the courthouse to observe a trial.

After much planning and re-planning we finally got a schedule made up for our trip to Detroit on March22. This trip was greatly enjoyed by all.

Next on the list of activities came the reception for which we say "thank you, Juniors, for a fine reception".

Our final exams were given on May 12. Next came Baccalaureate then Commencement where each of us was presented with a long-looked-forward-to diploma.

Our Class Night exercises tonight bring to a close our four years at M.H.S. and as we leave here we shall always remember many of the things we did and learned here.

CLASS PROPHECY

After having sailed the seas for several years I feel that it is time for a vacation. But where to go is my problem. Oh, I have it! Why not visit my classmates of "50"? So mates, if you will kindly store your gear aboard, we will get everything in ship-shape for the cruise. After making hotel reservations, I prepared to leave on my trip.

My first stop was in New York. While sightseeing I noticed a sign that read, "Attorney at Law" Herbert Moser. I decided to visit Herbert and see how things were going. He greeted me with a smile and asked me to come in. "Do you know where any of our classmates of "50" are?" I asked. "I sure do" he said, "Why only last night I ran into Harold Showalter, who is a taxicab driver." "Thanks for all your information", but I must hurry on, as I would like to attend a stage show on Broadway."

Listed as one of the stars was Miss Gail Kurtz. I wonder if it was the one I had known from school days; sure enough it was. After the show I went back stage and visited her in her dressing room.

"Hello Ted", she said. "It's good to see someone from my home town. But what brings you to New York?" I answered, "I am on a vacation now and thought I would see the sights of the big cities." I must leave you now as I have a train to catch to Chicago."

I had just got off the train in Chicago, when who did I run into but Don Sheline, who now works as Art Editor, for the Chicago Tribune.

Don and I went to a wrestling match that evening at the Chicago Stadium. I noticed one of the names on the program, that read, "One-round Sheley". Boy they sure wern't kidding, after one round,

CLASS PROPHECY

(CONTD)

was out. I said, "goodbye", to Don and caught the train for Denver.

Arriving there a day and a half later, I decided to visit Burtsfield's Dude Ranch, just outside of Denver. Also guests at Don's ranch were Mrs. June Lecount and her husband. June told me that she was a student at the University of Colorado. After spending the day at the ranch I returned to my hotel tired, but happy.

I decided that I would start on my return trip home the next day by the way of Canada. When crossing the Canadian border I ran into another friend, Robert Moser, who was a "Canadian Royal Policeman". I asked Robert if he had seen any of our classmates. He said he had seen Dave Bartholomew and Phyllis Cripe, who were now Mr. and Mrs and that they were both teaching school in Alaska.

After a brief chat I proceeded into Canada. I was shopping for souvenirs in one of the stores, when I ran into Ray Powell, who was a salesman there. The next day I caught a train homeward. My vacation was over much too soon but I think that I will spend many another vacation visiting the classmates of "50".

ADVICE TO FACULTY

We are now entering the second half of the twentieth century. It is hard to believe that the world is so far in advance and yet, the average person is still old fashioned. Tonight, we the Seniors of "50" have gone back a few years to bring back memories that we have read about in our history books about the pirates. So far no one has been hurt or killed in the voyage we are on, but we will wait until I finish this advice to the teachers before we come to a conclusion of what will happen the rest of the evening.

First of all we want to advise the faculty as a whole, to quite teaching school and take up a profession where they can make more money.

We want to advise Mr. Kimmell to trade his agriculture book for a small farm; the ag. boys think you need a little more experience before you begin to tell them something that doesn't exist on a farm.

We want to advise Mr. Miller to get a new Rocket Oldsmobile before the physics class takes their trip to Chicago, we might not get back with the '47, the shape it's in.

We want to advise Miss Hooley to take another trip to Europe. You must not have done to well the first time. We notice you still sign your name "Miss" Hooley.

We want to advise Mr. Lecount to start a girls' basketball team in MHS, they ought to do as well as the boys did this year at least.

We want to advise Miss Gangwer to hold down her speed with her Oldsmobile. As fast as that goes, you are liable to get arrested for not having a pilot's license.

We want to advise Miss Fredenburg to join the police force; with

ADVICE TO FACULTY

(CONTD)

a gun hanging at your side, maybe you could show your authority in the study hall.

Although not a member of the faculty, we still think she could use some advise. We would like to advise the office girl to call in the Missing Person's Bureau to find out where Arkey got to in such a hurry.

We want to advise Mrs. Snyder to quit picking on the senior class so much. We won't always be here, Mrs. Snyder, and then who are you going to pick on.

Last but never forgotten we want to advise Mr. Davis not to for- t his name when it's time to put his signature on the seniors' di ploma.

We hope that this little advice is taken in the manner in which it was given. We know this is the last time that we the class of "50" will be together to have a good time and we would not like to see anyone's feelings hurt in what we say tonight.

GRUMBLE

We rich pirates in the golden year of fifty have gained much knowledge and experience in the past four years, but we do have a few grumbles to make.

Mr. Davis, I really don't think you should call the couples that are in the library to the office and punish them. Miss Fredenburg has been telling the freshman class what love is. They want to know how it is to be in love.

I wish the Juniors would make up their minds. They say it isn't nice to talk about other people, but they sure do their share of it.

Mrs. Synder, why do you have to pick on the Senior class all the time. They are other classes that you can find fault with.

Now that we have new lights in the study hall, why can't we have comfortable seats installed.

Bob Moser, why don't you get in earlier on Sunday nights, then you wouldn't get sleepy in Mr. Davis's class.

Colleen, why do you have to find fault with everbody else but yourself. Not everybody can be an angel like you.

Mr. Lecount, why don't you talk about the lesson instead of something else when you have classes. How do you expect the students to pass their test?

A certain Sophomore girl gripes because she gets called to the office so much. If you would do things right, Rose Ann, maybe you wouldn't get called to the office.

Wonder why Miss Hocley is always looking out the window. Could it be you are looking for a good looking salesman.

GRUMBLE
(CONT'D)

Mr. Kimmel, if you wouldn't eat all the cheese here at school, maybe someone else would have some to eat.

Why is it that the students have to have a permit to go some place to study instead of------, Well, you know what.

I wish the students would make up their mind. First they want Mr. Davis to wear shoes with rubber heels, then they want him to wear shoes without rubber heels. I really don't think they know what they do want.

Wonder why a certain Junior boy keeps his eye on a certain Senior girl when she is talking to any other boy. Could it be, because you are jealous, Keith.

Why is it that the office girl gets to listen to the radio while she works, and the students don't?

I heard the office girl say she thought it was getting good when a certain teacher came over to the office and turned the radio off.

We would like to know where the yell leaders got some of their ideas of the new yells. Could it happen to be from Miss Fredenburg.

What's wrong that the dinner gong don't ring anymore? How do we know when it is time to eat?

If all the teachers were as good natured as Mr. Miller, the teachers and students would get along better.

We like the boys in our school to be in style as far as the hair cuts are concerned. You don't believe in following the style, do you, Doyt?

We like to see people close together and love one another, but not as much as Margie Hartman and Allen Fisher.

GRUMBLE
CONT'D

A certain teacher said she would be glad when the Seniors would be out of school. You are not the only one, because we will be glad too.

We rich pirates have grumbled about enough, but please don't take these grumbles seriously.

WHAT WOULD HAPPEN IF

On this boat of ours, things happen almost every day that marks the half way point of the 20th century.
That makes us wonder WHAT WOULD HAPPEN IF---

Bob Mussleman would keep quiet for a change?

Mrs. Snyder wouldn't give the next day's assignment while closing the door?

Mr. Kimmell's junior and Senior agriculture class was quiet?

Richard Groff would have one more girl friend?

Lyle Bartsfield would take dancing lessons?

The library was used for something besides a place to make love?

Theron Sheley couldn't go down to Oscar Packers?

Millersburg won the sectional tourney?

Emily Scott would become a professional ballplayer?

Rose Ann Troyer wouldn't have asked Glen to go steady on the first date?

Theron Slabaugh couldn't think of any tall tales?

Mr. Davis could sing?

Peg Schrock could see where she was driving?

John Lantzer wasn't so love sick?

The Millersburg girls wouldn't think they were too good to go with boys from Millersburg?

George Wilson would try eating French fries?

Miss Fredenburg wasn't looking for trouble all the time?

The office girl wouldn't turn the radio on so loud so that the students in the study hall could study?

Glen Showalter would have shown the study hall teacher what he had painted on his arm?

WHAT WOULD HAPPEN IF (CONT'D)

The Junior class wasn't so conceited?

Any of the senior class had failed the Constitution test?

Allen Fisher couldn't see Margie everyday?

Dick Simmons had a car and knew how to drive?

Millersburg won two ballgames in a row?

Richard Smith combed his hair?

Lyle Burtsfield went out for track?

Dave Bartholomew wouldn't have given his ring to Gloria?

Lois Swihart fell in love?

We wish to thank each and everyone of you, for taking this bit of fun in the same manner in which it was given.

WHO'S WHO

As we Seniors sailed through the four high school years looting kitchens and store rooms, we are now ready to sail in one of the most important directions of our lives, but before we do we would like to give you one of our treasures and that's WHO'S WHO.

Who's the noisest class in M.H.S.? The Sophomores.

Who knows it? Anybody within hearing distance.

Who's the heaviest boy in school? Boob Burtsfield.

Who could use a few more pounds? Dry Bones Nelson.

Who's the ideal couple of M.H.S.? Glen Showalter and Rose Ann Troyer.

Who should be? Boob Burtsfield and Bonnie Musselman.

Who thinks the boys' glee club could use a few singing lessons? The girls' glee club.

Who could use a few themselves? The girls' glee club.

Who thinks there should be more good looking girls in M.H.S.? The senior boys.

Who agrees with them? All the other boys in M.H.S.

Who worked the hardest on the MILLERETTE staff? The three senior boys that are on it.

Who's glad they are graduating? Miss Gangwer.

Who should have a car of his own? Dave Bartholomew.

Who knows it? His dad, when Dave asks to use it to go to Fort Wayne to see Gloria.

Who almost didn't have a class play? The Seniors.

Who said they couldn't if they didn't get their parts? Anyone could guess that.

WHO'S WHO
(CONT'D)

Who were the poor sports in the softball tourney? The Juniors.

Who found it out? They did after Mr. Davis had a talk with them in the office.

Who called the Seniors a bunch of Harry-to-pays? Mrs. Snyder.

Who knows it? The senior class.

W ho likes Laverle Berkey? Ray Powell.

Who better not find out about it? Ray Swihart.

Who got on the honor roll? Harold Showalter.

Who found out about it? Mr. Kimmel when he tried to put Harold out of the library because he thought he was on the library list instead of the honor roll.

Who likes Glen Showalter? Rose Ann Troyer.

Who knows it? Glen, when she asked hom to go steady on their first date.

Who's got Hudson cars? David Bartholomew and Don Sheline.

Who wishes they had one? Nobody.

Who's the smartest boy in school? Theron Schlabach.

Who thinks he is? Theron Schlabach.

Who put a stop to necking in the study Hall? Mr. Davis.

Who knows it? All the lovers of M. H. S.

Who makes you stand up when you're caught whispering in the study hall? Mr. Lecount.

Who knows it? Everybody that was caught.

Who had the roughest sliding party? The Seniors.

Who knows it? The two senior boys that got hurt.

Who's the pride of the National Guard? Ray Powell.

WHO'S WHO

(CONT'D)

Who thinks so? His captain after Ray missed a dozen practice drills.

Who got a pair of cowboy boots? Don Sheline.

Who knows it? Mr. Kimmel when the senior boys tried them on in his study hall.

Who's the Coach of M. H. S .? Mr. Lecount.

Who thinks he is? Junior Miller.

Since we aren't going to make you walk the gang plank, we hope that this was taken all in fun because that is the way we meant for it to be taken.

CLASS WILL

We the pirates of the class of "50" have had 12 years of successful piracy and have gathered a large store of treasure. There are a few items from this treasure that we wish to will to less unfortunate persons particularly to those who haven't been as successful in there school life as we.

Ray Powell wills his good grades to Jim Redman. He is sure a little help is better than none.

Harold Showalter wills some of his height to Leroy Moser. You know, Leroy, that a couple of inches is a great help in guarding a tall man.

David Bartholomew wills his big nose to anybody who wants it. Dave has found that it never fails to discover what is going on. Take notice teachers.

June Hite wills her ability to keep quiet to "Buckshot" Lewallen. It would help in the study hall.

Gail Kurtz wills her color schemes to Miss Hooley. Maybe she could do something with them.

Phyllis Cripe wills her ability to meet good-looking fellows from other towns to Peg Schrock. Any other girls interested in this ability see Phyllis.

Don Burtsfield wills his ability to go steady to Richard Groff.

Ted Smith wills his good natured disposition to the office girl. Don't you think, Rachel, this would be helpful in getting the boys of this year senior class to stop pestering you.

Herbert Moser wills his shyness to Louise Smith. Of course, Louise, this is not a hint.

Theron Sheley wills his athletic ability to Glen Larimer.

Bob Moser wills his ability to brag especially about basketball,

CLASS WILL
(CONT'D)

to Carlysle Caiddister.

Don Sheline wills his 35 straight "8" Hudson to M.H.S. for a delivery car. He is sure that it will give good service for another 15 years.

The senior class wills its ability to have good discussion in class meetings to the eighth grade. We understand that you are in need of this ability.

You have just heard the last will and testament of the class of '40".

ADVICE TO THE JUNIORS

We, the Seniors of "50" after sailing the high seas of school experience, feel that we have a great deal of knowledge and nonsense. We have acquired a fine art of accomplishing a little with a great deal of work. We have also worked out a fool proof system of getting along with our teachers and principal, and still getting our own way. Since we have applied these special abilities with a great deal of skill, we feel we are in a qualified position to give some sound advice to the Juniors.

We advise Esther Brenneman to leave David Bartholomew and Bob Hartman alone, they already have girls.

We advise Lois Swihart to watch what she puts in the Millerette, some people have secrets.

We advise Lyle Burtsfield to take pictures of your sister in the daylight, instead of when someone brings her home, Lyle, you should be in bed.

We advise Allen Fisher to keep up his running across fields "after dark that is" because it won't be long before track season starts.

We advise Richard Groff if he wants a girl, to go back to Michigan, because round here you have competition.

We advise Emily Scott to take dancing lessons, with that build, Emily, you could become a great dancer.

We advise John Lantzer to either quit basketball or the girls. John, basketball and girls don't go together.

We advise the junior class to pick a love story for the class play, since there are so many "love birds" in the class.

ADVICE TO THE JUNIORS (CONT'D)

We advise Colleen Smith to watch out for those Navy boys, they are rough characters.

We advise George Wilson to grow up, because you're a big Junior now.

We advise Theron Schalabach to go back to New Paris. The Senior girls there are pretty nice, Theron.

We advise Burdene Sheline to start taking dancing lessons, we hear you have plenty of room for improvement.

We advise Peg Schrock to go with some of the boys from M.H.S., they are all nice boys.

We advise Ronald Miller and Dick Simmons to go with the girls. You should make use of your Whippet, Ronald.

We advise Junior Miller to become a radio announcer, you should make a good one.

We advise Glen Showalter, when he is going to stay out late to take his little brother home, because he didn't have much trouble finding your car in this little town.

We advise Keith Shaffer to work on the Kurtz farm this summer, look how much handier it would be.

We advise Carolyn Kauffman and John Stutsman not to be so bashful, the rest of your class don't seem that way.

We advise Richard Smith to start playing baseball as much as you know about it, you ought to be able to play it.

Now that the storm of the past four years is over, we will be sailing out in the world of tomorrow, and we hope that the advise we have given to the Juniors, who still have another year to sail

ADVICE TO THE JUNIORS (CONT'D)

at MHS, will help them to weather the storm, and that all of our suggestions will be taken as they are given.

SALUTATORY

We, the Seniors of "50" are indeed happy to have you with us tonight. We thank you for coming to help us celebrate our last real get-together, before entering our adult school of life.

We are deeply grateful to our parents for their encouragement and making it possible for us to reach this goal. Also to our teachers, who have patiently guided and instructed us through these first important years of our lives. As each one of us start "on our own" we will realize more fully the value of this help and inspiration given to us by them.

It is with a feeling of sadness that we leave good old Millersburg High School. But as our motto "On High and Still Climbing" this is only the beginning of our climb ahead. As each one of us go on our separate way we hope these teachings will make us honest and upright citizens of tomorrow and a credit to our community.

Although the class of "50" is few in number we extend a most hearty welcome to each and every one of you tonight, and again thanks to all who have helped us attain this graduation.

-David Bartholomew

FIRST TEAM REVIEW

The Millers ended another unsuccessful season with only 3 victories and 17 defeats. The only victories came at the hands of Topeka 46 to 42, New Paris 33 to 30 and Rome City 56 to 47. Some close games were lost as the Millers did not seem to have the necessary punch to pull through. The Millers lost to Jefferson by 1 point and 5 points, lost to Topeka by 2 points and Shipshewana by 5.

The Millers played some of their best games against Syracuse, Concord and Shipshewana, all good teams.

They scored 58 points against Leesburg and 56 against Rome City for the season high.

The Millers averaged about 40 points a game while the opponents averaged much more against a weak defense.

They were plagued with injuries throughout the whole season which hurt their chances.

SEASON RECORD:

Nov.	1	Jefferson	37	Millers	36	T
Nov.	4	Shipshewana	40	"	35	H

BASKETBALL PERSONALITIES

HAROLD SHOWALTER Big and rough center who always was in the middle of the scrambles under the baskets. He was the tallest man on thesquad at 6' 1" and weighs 190 pounds. His hobby is playing Chitwood. He is a Senior.

ROBERT MOSER Red headed Senior who scored a lot of points this season. He was one of the few who ever got 200 points in one season at Millersburg. Red is 5' 8" and weighs 145. Red's hobby is feeding Decker Chrisman's chickens.

THERON SHELEY Large Senior forward who bounced anyone that got in contact with him. He really got hot in a couple of games this year. He had missed 5 games because of a leg injury early in the season. He is 5' 9" and weighs 190. His hobby is punching doughnuts at Honey Crust.

DON BURTSFIELD Another Senior center who had trouble with a knee injury most of the season. He is 5' 9" and weighs 185 pounds. His hobby is herding the Kaiser to Fort Wayne almost every Sunday.

JOHN LANTZER A Junior guard who collected a lot of points this season. He is the fastest man on the squad. He is 5' 8½" and weighs 150. He can be seen almost any night at Carpenters house. He is also a leading track man.

GLEN SHOWALTER Small forward who was a very good shot. He is a Junior who stole a lot of balls from other players. He is only 5' 7" and weighs only 125. His pastime is at Kirby Troyer's.

KEITH SHAFFER Another Junior forward who scored a lot of points this year. He moved up from the second team to the first five and proved to be a good player. He is 5' 8" and weighs 150. His hobby is riding his colt.

JUNIOR MILLER He is a 5' 7" Junior guard who missed the last half of the season with a fractured right wrist. He weighs 140 pounds. His pastime is walking out to the Fish Lake road when they are muddy.

ALLEN FISHER The other Junior forward who got hot in the tournament. He also moved up from the second team just before Christmas. He had a dead shot from the sides. He is 5' 9" tall and weighs 150 pounds. He can be found almost any night with his car parked in Hartman's lane.

CARLYSLE CHIDDISTER The Sophomore member of the squad who also moved up from the second team. He was a big center who held his own with his fancy pivot shots. He is 5' 11" tall and weighs 205. His pastime is trying to get rid of some of his fat.

INTRAMURAL SPORTS

(GIRLS)

The girls of the upper four grades have enjoyed quite a few different kinds of sports this year.

During the warm weather in the fall we played softball out side. Mr. LeCount let the girls have both the ball diamond and later on in cold weather the gymasium of Friday at noon.

We had a girl's softball tourney with the freshmen playing the sophomores the first game. The freshmen won. The freshmen were then beaten by the juniors (on a cold day). The seniors did not participate in any of the sports this year so the juniors took the championship for softball.

As cold weather soon come we started playing inside. We chose teams and played basketball, kickball, and volley ball.

On March 24 we started the basketball tourney with freshies and sophomores opening the tourney. The freshmen beat the sophomores 34 to 8. The following Monday, March 27, the freshmen played and beat the juniors 14 to 12. This was about the only trophy the juniors did not get this year.

This ended our activities for the year.

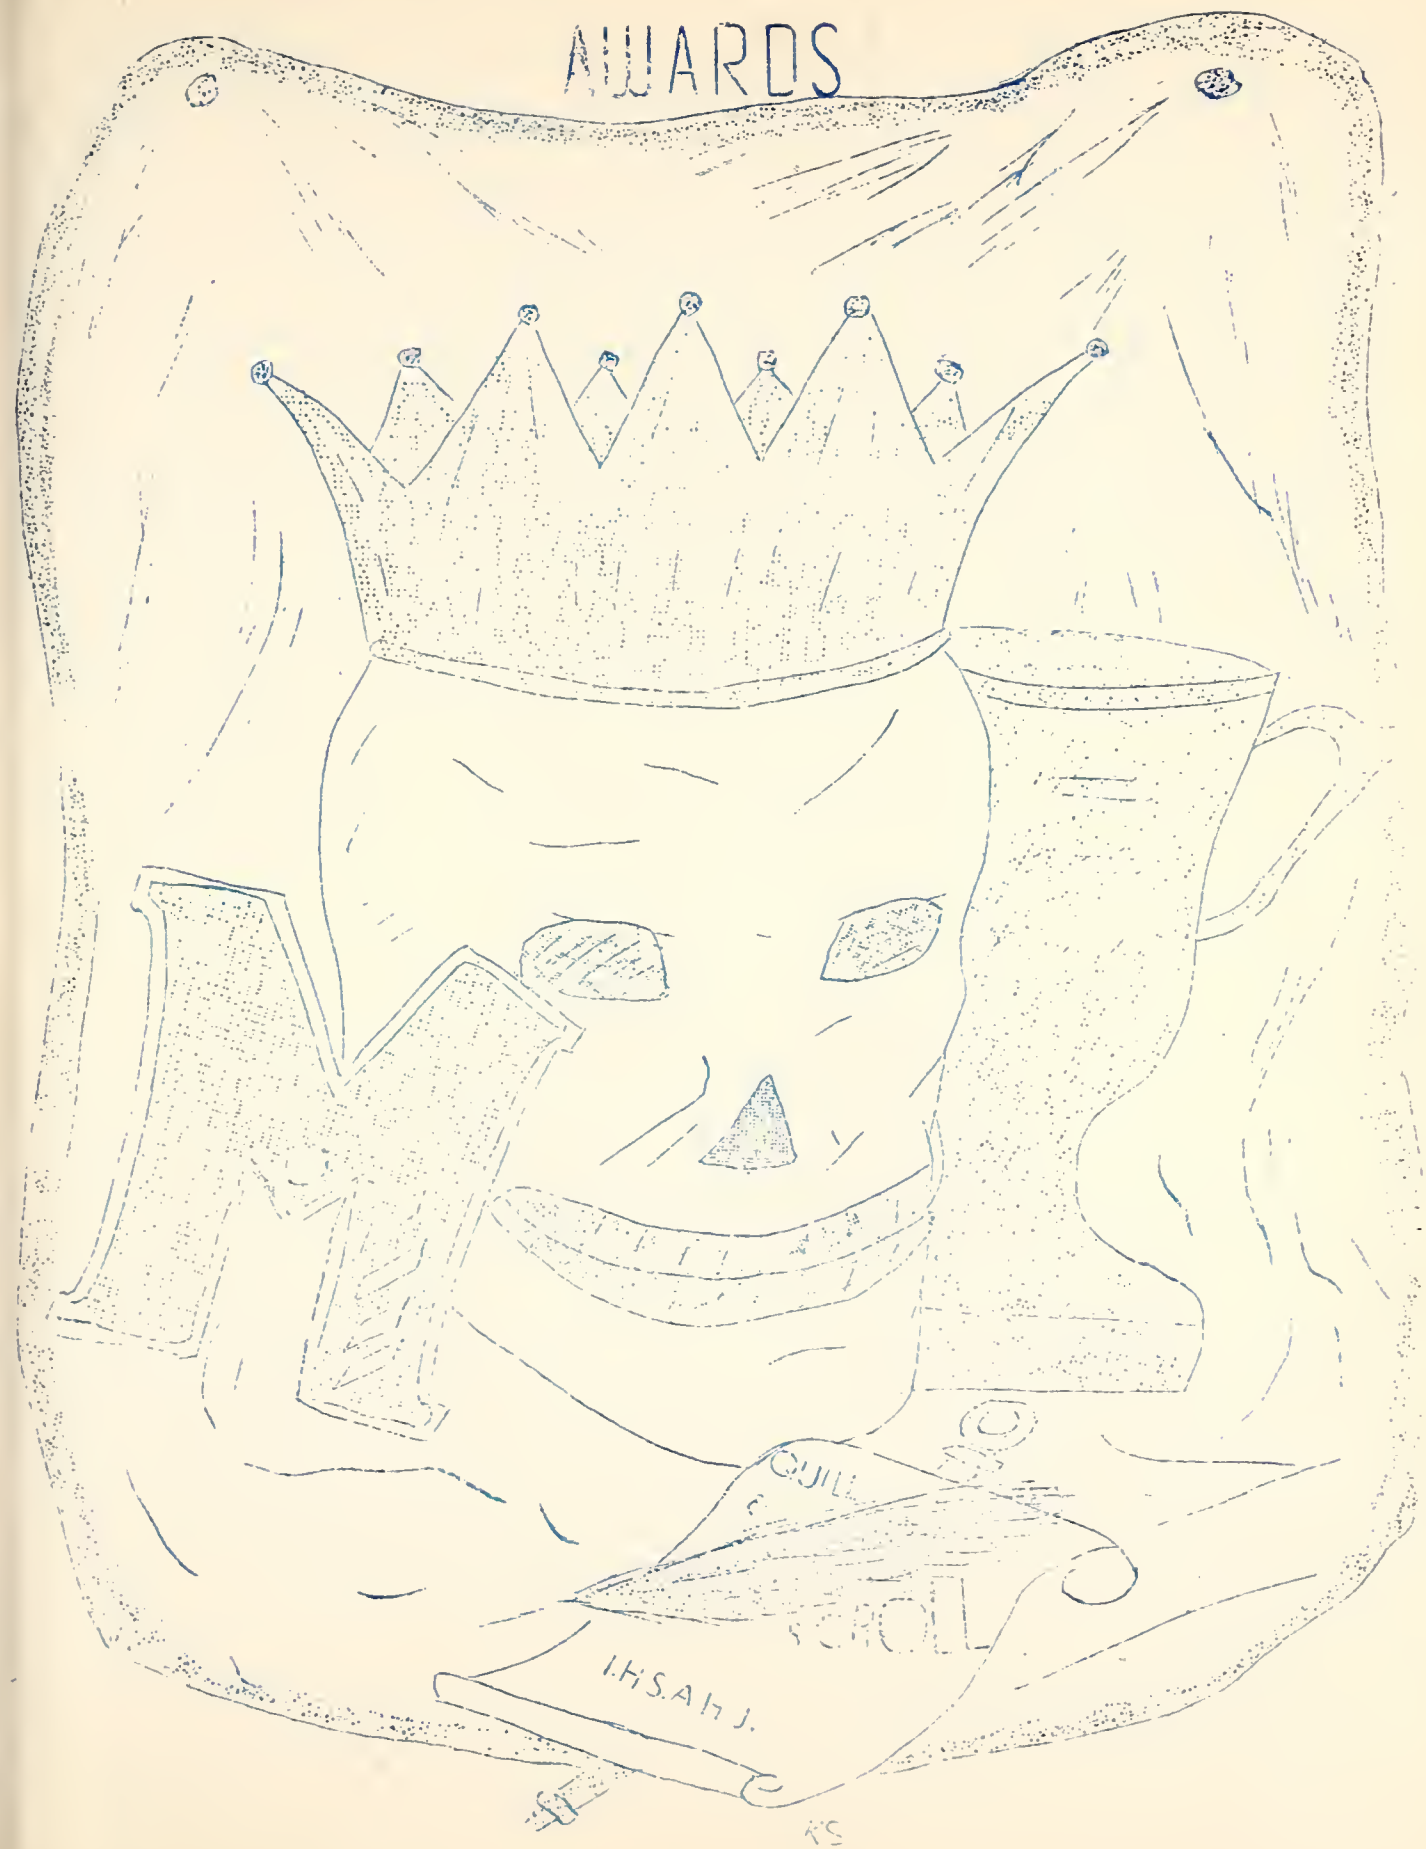
BOYS'

On March 1, 1950 the boys basketball tourney was held in the Millersburg gym. The first game of the evening was battled between the Sophomore and the Seniors in which the hard driving Sophomores overpowered the Seniors in the last few minutes to win in a thrilling battle 34 to 28. In the second battle the Juniors poured through 41 points to the Freshies 19 to win an easy victory.

In the third game the Seniors battled to win from the Freshies 30 to 10 in which the Freshies had little chance.

In the fourth and final game the Juniors and Sophomores battled evenly until the third quarter when the Juniors finally got the better edge. The tournament was very successful and was one of the best in years.

AWARDS



READING & ORATORICAL CONTEST

The annual oratorical and reading contest was held in the gym, January 31, 1949 at 7:45 sponsored by Mr. and Mrs. Roy Rogers.

The readings were judged by Miss Mary Shaffer. The six contestants taking part in the readings were: Lowell McGill, Carolyn Saggars, Katha Kuhn, Gladys Kauffman, Louise Smith and Rachel Hershberger.

The first prize winners of each contest received a gold medal and $5.00 in cash. A silver medal and $2.50 in cash went to the second place winners. The third prize winner received a bronze medal.

The prize winners and their readings and orations follow:

READINGS:
1. "Blue Star" by Rachel Hershberger
2. "Son of Hero" by Gladys Kauffman
3. "The Little Horse" by Lowell McGill

ORATIONS:
1. "Road Ahead" by Esther Showalter
2. "Citizens of Tomorrow" by Mary Jo Smith
